BUG REPORT – BUG005

Bug Title: Add to Cart Functionality Not Working

Application: SauceDemo
Module: Products / Shopping Cart
Test Account: problem_user
Severity: High
Priority: P1
Status: Reproduced – Evidence to be attached

Description

The Add to Cart functionality does not work correctly when using the problem_user account. The selected product is not successfully added to the shopping cart.

Preconditions

User must be logged in using problem_user and be on the Products page.

Steps to Reproduce

1. Open https://www.saucedemo.com/
2. Log in using problem_user.
3. Navigate to the Products page.
4. Locate Sauce Labs Backpack.
5. Click Add to Cart.
6. Check the button state and shopping cart contents.

Expected Result

The selected product should be added to the cart, the cart badge should update, and the button should change to Remove.

Actual Result

The Add to Cart action does not successfully add the selected product to the shopping cart.

Comparative Testing

The Add to Cart functionality works correctly with standard_user.

Environment

Operating System: macOS
Browser: Brave

Evidence

Attach a screenshot or screen recording showing the unsuccessful Add to Cart action.

Conclusion

The Add to Cart functionality behaves incorrectly with problem_user compared with standard_user.
