BUG REPORT – BUG002

Bug Title: Product Names Display Incorrectly

Application: SauceDemo
Module: Products / Inventory
Test Account: problem_user
Severity: Medium
Priority: P2
Status: Reproduced – Evidence to be attached

Description

Product names displayed under the problem_user account do not match the expected product names.

Preconditions

User must be logged in using problem_user.

Steps to Reproduce

1. Open https://www.saucedemo.com/
2. Log in using problem_user.
3. Navigate to the Products page.
4. Inspect the names of all six products.
5. Compare the names with those displayed using standard_user.

Expected Result

Each product should display its correct product name.

Actual Result

Product names are displayed incorrectly under problem_user.

Comparative Testing

The standard_user account displays the correct product names.

Environment

Operating System: macOS
Browser: Brave

Evidence

Attach screenshots showing the product names under both accounts.

Conclusion

The product names displayed under problem_user differ from the standard_user account.
